## e-Log Book System for Medical College A Digital Academic Record-Keeping Platform

### Overview

The e-Log Book System is a robust digital platform designed specifically for medical colleges to streamline academic record management through structured workflows and role-based dashboards. The platform digitizes traditional academic logbooks, enabling transparent and systematic student progress tracking.

---

### System Architecture

The platform follows a Modular and Hierarchical structure:

Super Admin (Global Control)

- └ College Admin (Per Institution)
    - └ Faculty (Course/Subject Instructors)
    - └ Students (Course Participants)
- 

### Data Hierarchy & Workflow

1. Admin sets up College, Course, Departments, Subjects, Templates, and Academic Years.
2. College Admin defines Phases, imports Faculty and Students, assigns Teachers to Subjects.
3. Students:
  - Register and create profile.
  - Send profile for College Admin approval.
  - Select subjects (post approval).
4. Teachers:
  - Approve/reject student subject selection.
  - Grant access to templates.

- Review and give feedback on logbook entries.

## 5. Students fill approved logbooks.

- Submit to teachers for assessment.
  - Receive approval/rejection with comments.
- 

## Key Modules & Functionalities

### Authentication & Role Management

- Role-based logins for Admin, College Admin, Teacher, and Student.
- OTP or email-based credential verification (optional enhancement).

### Templates Module

- General Templates: Available to all.
- Subject Templates: Require teacher approval.
- Fields: Date, Topic, Description, Learning Outcome, Reflection, etc.

### Academic Structure

- Multi-layered: Academic Year > Phase > Course > Department > Subject.

### Approval Workflows

- Student Profile Approval (by Teacher).
- Logbook Entry Approval (by Subject Teacher).

### Import/Export

- Bulk upload via Excel/CSV for:
  - Students
  - Faculty
  - Logbook Records (for migration)

**About General Templates**

**General Templates** are reusable form structures that can be applied to multiple log books or records.

- Create custom fields to capture specific information
- Organize fields into logical groups
- Set fields as required or optional
- Choose from different field types (text, number, date, etc.)

Once saved, these templates can be selected when creating new log books, ensuring consistent data collection.

## 2. College Admin Dashboard

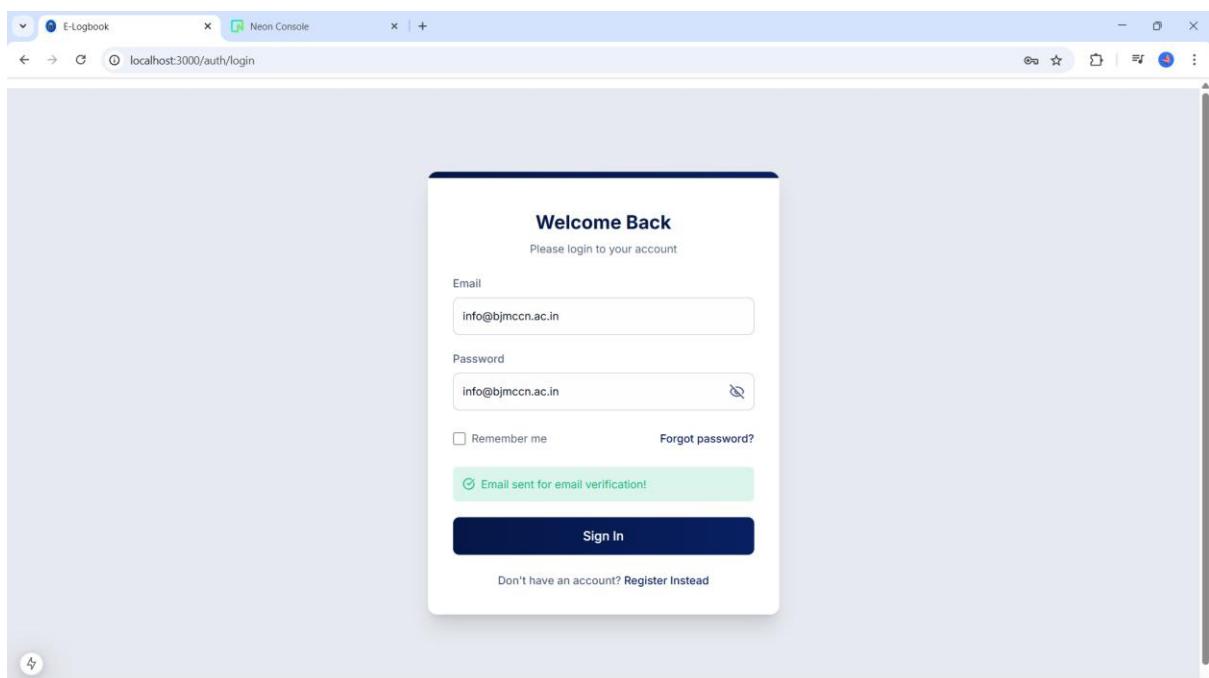

College will assign a email id and password to access clg dashboard

steps to login in College Dashboard:-

### 1. Login with E-mail and password given by college

### 2. After Clicking on sign In button email is sent to college email address for verification, verify the details and re-login to access college dashboard

**Purpose:** Handle college-specific academic configurations and internal operations.

The screenshot shows a web browser window titled "E-Logbook" with the URL "localhost:3000/dashboard/clg-admin". The main content area displays the "College Portal" for "B.J. Medical College and Civil hospital (BJMCCM)". The profile card includes the college's name, address (Haripura, Asarwa, Gandhi Nagar, Ahmedabad, Gujarat, India), phone number (4567 890 124), email (info@bjmccn.ac.in), website (<https://www.bjmccn.ac.in/>), and a description stating it is a public medical college affiliated with Gujarat University and Ahmedabad Civil Hospital. A sidebar on the left lists navigation options: Profile (selected), Batch, Faculty, Students, Student Approval, and Subject Templates. A "Logout" button is at the bottom left. The top right shows the user "Admin BJMCCH" and a dropdown menu.

## Features:

- **College Profile Management**
  - Manage and update institutional details.

The screenshot shows the same web browser window in edit mode, indicated by a "Neon Console" tab. The main content area displays the "College Portal" for "B.J. Medical College and Civil hospital (BJMCCM)" in edit mode. The profile card fields include Address (Haripura, Asarwa, Gujarat, India), Phone (4567 890 124), Email (info@bjmccn.ac.in), Website (<https://www.bjmccn.ac.in/>), and Description (B. J. Medical College is a public medical college situated in Ahmedabad, Gujarat, India. It is affiliated to the Gujarat University and Ahmedabad Civil Hospital). The "Save" button is visible in the top right corner. The sidebar and user information at the top remain the same as in the previous screenshot.

- **Phase/Batch Management**

- **Define academic phases (e.g., 1st Semester, 2nd Semester).**
- **Link to academic years for structured progression.**

The screenshot shows the 'Batch Manager' section of the 'College Portal'. On the left, a sidebar menu includes 'Profile', 'Batch' (which is selected), 'Faculty', 'Students', and 'Student Approval'. The main area is titled 'Batch Manager' and contains the sub-instruction 'Manage your batches for different academic years'. A dropdown menu labeled 'Academic Year' is set to 'Select Academic Year'. A button labeled 'Add New Batch' is visible. A message at the bottom states 'Please select an academic year to manage batches'. The top navigation bar shows the URL 'localhost:3000/dashboard/clg-admin' and the title 'Neon Console'.

The screenshot shows the same 'Batch Manager' section but in dark mode. The sidebar and main content area have a dark background. The 'Batch' item in the sidebar is highlighted with a blue outline. The 'Add New Batch' dialog box is open, showing the 'Academic Year' as '2021-2022', the 'Batch Name' as '1st Sem', and a new entry '2nd Sem' in the 'Batch Name' input field. Buttons for 'Cancel' and 'Create Batch' are at the bottom of the dialog. The rest of the interface follows the dark theme, including the top navigation bar which shows the URL 'localhost:3000/dashboard/clg-admin' and the title 'Neon Console'.

The screenshot shows a web browser window titled "E-Logbook" with the URL "localhost:3000/dashboard/clg-admin". The left sidebar is titled "College Portal" and includes links for Profile, Batch (which is selected), Faculty, Students, and Student Approval. The main content area is titled "Batch Manager" and displays a table for managing batches. The table has columns for "Batch Name" and "Actions". It lists two entries: "1st Sem" and "2nd Sem", each with "Edit" and "Delete" buttons. A dropdown menu for "Academic Year" is set to "2021-2022". A button labeled "Add New Batch" is located in the top right corner of the table area. The top right of the page shows the user information "Admin BJMCCH" and a "Logout" link.

## • Faculty Formation

The screenshot shows a web browser window titled "E-Logbook" with the URL "localhost:3000/dashboard/clg-admin". The left sidebar is titled "College Portal" and includes links for Profile, Batch, Faculty (which is selected), Students, and Student Approval. The main content area is titled "Teacher Management" and includes a search bar, "List View" and "Add Teacher" buttons, and "Import" and "Export" buttons. A message states "No teachers found. Import teachers or add them manually." The top right of the page shows the user information "Admin BJMCCH" and a "Logout" link.

**There are two options to Import Teacher :-**

**1. Manually – like insert teacher one at a time.**

The screenshot shows the 'Teacher Management' page of the E-Logbook application. On the left, a sidebar menu includes 'Profile', 'Batch', 'Faculty' (which is selected), 'Students', and 'Student Approval'. The main content area has a heading 'Teacher Management' and a success message 'Teacher created successfully!'. Below this, there's a form titled 'Add Teacher Manually' with fields for 'Full Name', 'Email', 'Mobile No.', 'Designation', and 'Employee ID'. A large blue 'Create Teacher' button is at the bottom. The top right corner shows the user 'Admin BJMCCH'.

The screenshot shows the 'Teacher Management' page after an import. The sidebar and overall layout are identical to the previous screenshot. The main content area now displays a table of imported teacher data. The table has columns: Name, Email, Designation, Employee ID, Mobile Number, and Actions. One row is visible, showing 'Atul raj' as the name, 'atul.raj@gennextit.com' as the email, 'Professor' as the designation, 'BJMCCH001' as the employee ID, and '6792923451' as the mobile number. There is also an 'Assign Subject' link under the Actions column. The top right corner still shows the user 'Admin BJMCCH'.

## 2. Import faculty profiles (bulk) through excel sheet.

#### 4. Assign teachers to:

- Academic Year ,phase , Branch , course , Subjects

A screenshot of a web-based college management system. The left sidebar shows navigation options: College Portal, Profile, Batch, Faculty (selected), Students, Student Approval, and Subject Templates. The main area shows a modal dialog titled "Assign Subjects to Teacher21". The dialog has two sections: "Teacher Information" (Name: Teacher21, Designation: Professor) and "Assign New Subjects". The "Assign New Subjects" section includes dropdown menus for Branch, Course, Academic Year, Phase, and Subjects, all currently set to "Select [Category]". A message box indicates "Assigned subjects fetched successfully". At the bottom right of the dialog is a blue "Assign Subjects" button. The footer of the page shows the user's name (Admin BJMCCH), email (info@bjmcch.ac.in), and other administrative details.

The screenshot shows the E-Logbook software interface with a central modal dialog titled "Assign Subjects to Teacher21". The dialog is divided into sections: "Teacher Information" (Name: Teacher21, Designation: Professor, Email: teacher21@gmail.com), "Currently Assigned Subjects" (No subjects currently assigned), and "Assign New Subjects" (Branch: General Medicine (GM-JPR), Course: MBBS, Academic Year: 2021-2022, Phase: 2nd Sem, Subjects: Dermatology, Selected Subjects: Homeopathic Practical (HOMO210) and Dermatology (MED406)). The background shows a sidebar with navigation links like College Portal, Admin, Profile, Batch, Faculty, Students, Student Approval, Subject Templates, and a main dashboard area with tabs for Import and Export.

The screenshot shows the E-Logbook dashboard for 'College Portal'. A modal window titled 'Assign Subjects to Teacher21' is open, displaying 'Teacher created successfully!' and the teacher's information: Name: Teacher21, Designation: Professor, Email: teacher21@gmail.com. The 'Currently Assigned Subjects' section lists two subjects: Homeopathic Practical (HOMO210) and Dermatology (MED406), both assigned to the 2nd Sem of General Medicine in MBBS. To the right, a sidebar shows 'Assign New Subjects' fields for Branch, Course, Academic Year, Phase, and Subjects, with a note that subjects have been fetched successfully. Action buttons for Import and Export are also visible.

## 5. Student Management

The screenshot shows the 'Student Management' page of the E-Logbook application. The left sidebar, titled 'College Portal', includes options for Profile, Batch, Faculty, Students (which is selected), and Student Approval. The main area is titled 'Student Management' and displays a message: 'No students found. Import students or add them manually.' It features a search bar ('Search students...'), a blue 'List View' button, a green 'Import' button, and a blue 'Export' button. The top right corner shows the user 'Admin BJMCCH'.

**There are two options to Import Student :-**

**1. Manually – like insert student one at a time.**

The screenshot shows the 'Add Student Manually' form. The left sidebar is identical to the previous screenshot. The main form has a title 'Student Management' and a sub-section 'Add Student Manually'. It includes a note: 'Fill in the form below to add a new student to the system.' There are four input fields: 'Full Name' (with a placeholder 'John Doe'), 'Email' (with a placeholder 'john.doe@example.com'), 'Roll No.' (with a placeholder '1234567890'), and 'Mobile No.' (with a placeholder '9876543210'). A large blue 'Create Student' button is at the bottom.

- Year of Passing: 2025

On the left sidebar, under "Student Portal", there are links for "Profile" (which is active), "Subject", and "Log Book Entries". A yellow box on the sidebar says: "Profile Pending: Some features are locked until your profile is approved." At the bottom left is a "Logout" link. The top right shows the user "Student21" and a dropdown menu. The top bar has standard browser controls like back, forward, and search.

If your profile is being Rejected by college then – reason Will be mentioned Like this

The screenshot shows a browser window titled "E-Logbook" with the URL "localhost:3000/dashboard/student". The left sidebar has tabs for "Student Portal", "Profile", "Subject", and "Log Book Entries". A yellow box on the sidebar says "Profile Pending: Some features are locked until your profile is approved." The main content area is titled "Student Profile" and shows a student named "Student21" with the status "REJECTED". It includes fields for "Mobile Number" (6358753297), "Date of Birth" (14/05/2002), "Marital Status" (Single), "Aadhar Number" (847386904720), "Address" (116/H), "City" (Noida), "State" (Uttar Pradesh), "Country" (India), "Roll Number" (BJMCCHS0021), "College" (B.J. Reason -In Complete Profile". There is a "College ID Proof" section with a file named "50CIFbAemkZu8Fl9...". A "Request Verification" button is also present. The top right shows "Student21" and a "Logout" button.

After Correction You will Again Send Profile for verification (by saving or click on request verification)

- If Profile Was Approved by clg Student can able to Access Subject , Log Book entries
- But once student updated can be able to change the college , Roll No . , DOB , Adhar Number , Branch , Course , Academic Year , Year Of Passing

The screenshot shows the same browser window after profile correction. The sidebar now shows "APPROVED" next to the student's name. The main content area shows the same profile information as before, but the status is now "APPROVED". A green note says "Your profile has been verified by the college administrator. You now have full access to all platform features." The "Logout" button is still at the bottom.

- **Subject Selection**

- **After approval, select subjects as per assigned structure.**
- **Access to logbook templates only after teacher approval.**

The image displays two screenshots of the E-Logbook student dashboard, both titled "Student Portal" and showing the status "APPROVED".

**Screenshot 1:** This screenshot shows the "Your Subject Allocations" section, which displays a message: "No subject allocations found". Below this, the "Add More Subjects" section is visible, featuring three dropdown menus: "Phase" (set to "Select phase"), "Subject" (set to "Select phase first to search subjec"), and "Teacher" (set to "Select teacher"). A button labeled "+ Add Subject" is located to the right of the Teacher dropdown. The "Selected Subjects" section below shows a message: "No subjects selected". At the bottom is a large grey "Submit Allocation Request" button.

**Screenshot 2:** This screenshot shows the same interface after a selection has been made. In the "Subject" dropdown, "Physiology" is selected, and in the "Teacher" dropdown, "Atul raj" and "Rashi Gupta 4" are listed. The "Selected Subjects" section still shows "No subjects selected". The "Submit Allocation Request" button remains at the bottom.

- **Log Book Entry**

- **Log Book Entry Page has two types of templates :-**

The screenshot shows the E-Logbook dashboard for a student named "Student21". The top navigation bar indicates "APPROVED". On the left sidebar, there are links for "Profile", "Subject", and "Log Book Entries", with "Log Book Entries" being the active tab. The main content area features three dropdown menus: "General", "Select Teacher", and "Select Template". Below these are buttons for "Import", "Export", and "New Entry". At the bottom of the page are "Logout" and "Desktop 1" buttons.

### 1. General

In general you Don't need to take Subject Approval

- Student Just have to select Template And fill it entries and select teacher to whom he/she want to assign

This screenshot shows the same E-Logbook dashboard as the previous one, but with a different template selected. The "Select Template" dropdown is now set to "Intership Details". The main content area displays a section titled "Intership Details" with the sub-instruction "Intership Details of Final Year students". It includes a "Type: General" filter and a table header with columns: Date, Role \*, Description \*, Type \*, Date Of Joining \*, Offer Letter, Remarks, and Actions. A message at the top of the table says "No entries found". At the bottom of the table is a "Create New Entry" button. The rest of the interface is identical to the first screenshot.

## 2. Subject

Select Subject -> which is approved and select the template from Drop down

The screenshot shows the E-Logbook dashboard for a student named 'Student21'. The top navigation bar includes links for 'Logout' and 'Import', and a dropdown menu for 'Student21'. On the left, there's a sidebar with 'Profile', 'Subject' (which is selected), and 'Log Book Entries'. The main content area has tabs for 'Subject' (set to 'Anatomy'), 'Select Template' (set to 'Anatomy Logbook Template'), and buttons for 'Import', 'Export', and 'New Entry'. A message 'Anatomy Logbook Template' is displayed below the template selection.

This screenshot shows the 'Anatomy Logbook Template' entry screen. The top navigation bar and sidebar are identical to the previous screenshot. The main content area displays the template details: 'Anatomy Logbook Template' and 'Template for recording Anatomy practicals, competencies, and reflections'. It also shows a table header for entries with columns: Date, Date of session\*, Topic Covered\*, Student Reflection, Remarks, and Actions. A message 'No entries found' is at the bottom, followed by a 'Create New Entry' button.
